

Parents

Information online, anytime - Sycamore Education is 100% web-based which means you always are connected and informed.

Attendance - Easily check attendance in real time.

Assignments & Grades - No more wondering how your student is performing, or waiting for report cards.

Schedules & Calendars - Easily check on your student's schedule.—anytime.

Lunch Menu - Find out what's for lunch, print a schedule, even order in advance.

Pass-A-Note - This is one of Sycamore's most popular items. The Pass-a-Note (PAN) feature makes it easy for parents to communicate with teachers and staff, without having to call, leave a message, and wait for a response.

PayPal Interface - Sycamore Education makes it simple to make secure online payments of tuition, lunch money, and other fees using our seamless Paypal interface.

School and Classroom News - Go green! Help your school go paperless - no more newsletters that get stuffed in backpacks and never get read.

School documents - Easily access school and classroom documents anytime online.

Student Directory - Quickly and conveniently view all the students in a class or grade level.

Family Account Balances - View real-time information and balances on tuition, cafeteria, and other fees, and easily make payments online - just like online banking.

*I login to Sycamore every day.
It's made it easy to stay connected
to the school. Now I always know
how my kids are doing, and I can easily
communicate with their teachers.
I love it!*
