PARENTAL PERMISSION FOR OVER THE COUNTER (OTC) MEDICATION

Student Name: _____ Birth Date: _____

School Year: _____ Grade: _____

When possible, all medications should be given to students before school or after school hours by the parent or guardian. The health room has a limited supply of over-the-counter "stock" medications that may be administered with written permission. Students requesting medication will be evaluated by the school nurse and may receive these medications as comfort measures during school hours. The school nurse may contact you to discuss the frequency of your child's request for medication, or recommend follow up care with your health care provider.

Place a check mark on the line of each medication that you permit your child to receive.

_____ Acetaminophen (Tylenol) - pain, aches or fever

_____ Advil (Ibuprofen) - pain, aches or fever

_____ Benadryl - allergy symptoms/allergic reaction

_____ Cough Drop/Throat Lozenge - sore throat, cough

_____ Hydrocortisone Cream - rash, stings, bites, itching

_____ Neosporin or Triple Antibiotic Ointment - cuts, scrapes, open sores

_____ Tums - upset stomach, indigestion

Dose: per label

Frequency: as needed

_____ I do **NOT** wish for my child to receive any over-the-counter medications.

I give permission for the medications noted above to be given to my child during school hours. I hereby release Glenforest School and their agents and employees from all liability that may result from my child taking these medications. I give permission for the school nurse or administrators to contact the health care provider named below to discuss these medications if a problem occurs. I understand that I am responsible for notifying the school of any change in my child's health.
