

2022 - 2023 Student School ID Requirements

1. For safety and security purposes, Student IDs are included in the daily dress code requirements and must be worn at all times.
2. A temporary ID will be issued if a student does not have their Student ID.
3. After 2 temporary IDs are issued, there will be a \$5 charge to the ACH account on file to replace the permanent ID and Glenforest lanyard.
4. Students may only remove their ID if it imposes a danger from a school activity or if given special permission from Faculty or a Staff member.
5. Students can provide their own lanyards, but only if they are “break-away” lanyards and must be approved by the front office.

By signing below, I am accepting and agreeing to the statements above and will abide by all requirements for Student Identification by Glenforest School.
